AS THE SUN RISES IN THE EAST.....

Brethren,

Here we are already in October with two and a half more months of work left in the year. It has indeed been a pleasure and an honor to serve you thus far, and I look forward to the rest of my year in the East.

Brothers, we do not have many Thursday left, but we have a number of Brothers going through the degrees and would appreciate you coming to our meetings to see these young motivated new Brothers become the next leaders of our Fraternity. I wish you all well, and look forward to seeing you again.

As always, if you need assistance getting to the lodge, please let an officer know. If you would like to practice before the lodge to brush on "rusty Mason", come by at 6:00 pm and we will get you spot on!

Congratulations to Brother Mendoza and Brother Beltran on being initiated in the Entered Apprentice Degree.

October 15th will be our School of Instruction, Hanford Lodge # 279 will be the host. Dinner at 6:30 pm and Exemplification at 7:30 pm by Lemoore Lodge # 255, Reception of the Flag, Annual Election of Officers, Open discussion on the docket after Annual Communication. Attendance is mandatory for all officers.

My brother, I just want to say how impressed I am with the new Master Masons. The amount of work they do here at Welcome Lodge is amazing. I see these brothers come in for practice or volunteer to help at lodge events. I really appreciate their hard work and willingness to participate and be active. These men are the future of Welcome Lodge. To the brothers who instructed and helped led these new masons down the beginning path of their journey, Thank you.

Fraternally Yours,  
Joselito Sanchez, PM  
Master of the Lodge

Brethren,

The month of September was a great one. We accomplished quite a hectic schedule. A big Thank You to all of the individual brethren for their extra efforts, especially Brother Jack.

Christmas is fast approaching and this means our weather is changing. Today is the first day of Autumn, which means that Winter is right around the corner. As a reminder to our brethren, please be extra cautious while driving, especially when driving to and from our degree lodge at night.

As a reminder, December 13, 2014 is our lodge's Christmas Party. If you have no particular plans on this day, then you are being summoned to attend our Christmas Party. Brethren, your attendance is needed and I encourage you to come. Please look for more details in the next Tresleboard.

On the Level,  
Brother Daniel Bautista

Brethren,

Can you believe it's October already? This year is flying by quickly. Many things are happening in the lodge at the end of this year. Between maintenance, fundraisers, charitable contributions, parties and meeting nights, our plates are full, meaning that there are plenty of opportunities to become involved in your lodge. We NEED volunteers and I urge you to contact me if you can help out. Please see the calendar for dates and times then come out and support our upcoming fund raising events.

In September we welcomed four new brothers into the fraternity as they took their first steps into Masonry, Brothers Albert Mendoza, Wright Beltran, Adan Trinidad, and Chase Simpson. We welcome our new Brothers. There is much to learn, so remain patient. Masonry is not so much about the raising to Master Mason as it is about the lifelong process for the continual search for light. Stay active, stay curious, and be proud of your new titles.

Mr. Ed Kaczynski has joined our Friends to Brother Candidate program. When you see him in the lodge, please introduce yourself and make him feel welcome.

Next year's (unofficial) officers have started filling chairs in the lodge. For the first time that I remember, there are no Past Masters filling the 3 principal stations of the lodge. Only the chaplain will be manned by a Past Master next year. The goal is not to rid the Officer corps of Past Masters, but to train new brethren to move through the chairs. Our Past Masters are then able to assume the role of mentor to the rest of us that we may share in their knowledge and become better Masons because of them. Well I'm out of room so it's time to wrap up. We have much to do at the end of 2014. Please, take some time to volunteer. This lodge belongs to you and we need you to continue improving it. Have a great month Brethren!

Brother Jack Cloud

# WELCOME LODGE 255 ANNUAL CHRISTMAS PARTY DEC. 13, 2014

*It's time again to plan another great night of fellowship and celebration. As the holidays quickly approach we need to start planning this event and the decoration of the lodge.*

As of December 1<sup>st</sup>, it would be great if each Masonic body decorated their corner of the lobby with all of the holiday trimmings. Let's take pride in this event and make the old lodge festive and cheery this holiday season.

This year for the party, we are looking to cater the dinner, we will have a photographer on board to take couples and family photos, a DJ with all of your favorites, Toys for Tots, possible gift exchanges and Santa will once again swing by Welcome Lodge for the event with his bag full of toys. We need volunteers for setting up the lodge for the party and for managing certain portions of the event.

*If you are interested, please contact Bro. Jack Cloud at (559) 381-2112 to offer your services.*

**December 13, 2014 at 7pm**

More Information will follow once the event is fully planned regarding cost, events, and dress.

## **What are your Talents?**

Every one of us were born with a talent. Some are artistically creative, some mechanically inclined, others have the gift of gab and others are just really good listeners. Our talents make us both unique and valuable. So, what are your talents? The better question is, when was the last time you might have used one of your skills for the betterment of others? Sometimes it is so easy to accept your gift, but do little or nothing with it. Imagine, if all 246 of the brethren on our rolls today, were to use their skill just once for their brother, neighbor, community or their lodge, just imagine the impact that we could make.

*What if we...*

*...mowed a yard for our less abled brothers or their widow.*

*...volunteered to provide maintenance services to our less abled brothers or their widows.*

*...lent an ear and provided companionship to one of our widows in need of a friendly visit.*

*...volunteered our talents to a Masonic program, such as; Reading to School Children, Volunteering for our Youth Groups, running the Child ID booth, and other event's that you feel suited for.*

*...used our talents just one time in the lodge to paint a mural or a room, to build a cabinet, or to perform maintenance on aging structural and mechanical items.*

*...stepped up to lead a lodge project or event.*

The moral of this story is as Masons, we share a moral obligation to volunteer our talents whenever possible for the betterment of others. If your talent can better your lodge, your community, or your fellow brother, then it will better you, not only in your outward appearance, but in the satisfaction you feel in your heart knowing that you stepped outside of your box to do something for others.

Today, each brother of Welcome Lodge 255 should think of his talent and make a plan to use that talent within the next 30 days. As a military based lodge, we've all had challenges in the past, and I challenge you all to this task. Help someone in need or volunteer for the betterment of your lodge. In doing so, you'll immediately feel the satisfaction that comes with it. Feel free to contact me anytime if you are interested in helping out in any way. I'd love to hear your ideas.

Bro. Jack Cloud  
Junior Warden
